**** Current MPIR 5.00% as at 1st July 2022 ****

MPIR – Maximum Permissible Interest Rate

This rate applies to residents who enter residential care within this time period but not to those who were already in care prior to this time period. The MPIR applicable for calculation of a resident's daily payments fixed either at their date of entry to care or the date they agree to a room price (for a resident who is not eligible for government assistance with their accommodation costs).
